The **North Pittsburgh Summer League** was organized and maintained by Christopher Lebakken from 2008-2012 with great success. Coach Lebakken has over 20 years 'experience with coaching stints at Pine Richland, Shaler, and Aquinas Academy. Coach Lebakken currently teaches at Perry high school and is the boys varsity assistant basketball coach. **We are extremely excited to be able to bring the league back in 2025.** Sponsored by Team Cure AAU organization. It is designed to help boys & girls learn and enjoy the game of Basketball. The league will provide the players with an opportunity to immediately apply the fundamental skills in a game situation with and against their peers without pressures of a real game and just play. The teams will be captained by two players chosen by our staff. The league will provide an equitable amount of playing time for all players.
